Introducing the New Pardo 75 in Saint-Tropez, France

Experience the pinnacle of luxury and performance with the unveiling of the Pardo 75 T-Top in the iconic coastal town of Saint-Tropez, France. As the latest flagship in the esteemed Pardo Yachts Walkaround range, the Pardo 75 is tailored for discerning owners seeking to elevate their yachting experience. Building upon the success of the renowned Pardo 50, this impressive vessel offers expanded space both indoors and out, while preserving the signature features of the Walkaround range.

Crafted for optimal performance and comfort, the Pardo 75 is celebrated for its practical layout and advanced design, ensuring effortless maneuverability and safe navigation through the waters of Saint-Tropez. Despite its luxurious amenities, functionality remains paramount, with meticulous attention to detail evident throughout the vessel's construction.

One of the standout features of the Pardo 75 is its striking T-top, meticulously crafted from carbon fiber, providing shelter to the central lounge area. Whether in the standard "galley up" configuration or the spacious lounge below, every inch of the Pardo 75 is designed with the utmost attention to detail. The expansive deck boasts two additional lounge/solarium areas, perfect for soaking up the sun and enjoying panoramic views of the French Riviera. Additionally, the innovative fold-down terraces along the side offer additional space, enhancing the overall quality of life onboard.
